REGISTRATION FORM NEW MEMBERS

The AMVJ basketball club is an independent association with full legal capacity. You can play competition at our association, but also choose for just training.

Membership includes:

- Training once or twice a week on Monday evenings in Sports Center Ookmeer under the guidance of qualified and/or experienced trainers.
- Access to our website <https://amvj-basketball.nl> for following news, facts and figures, and the agenda, Instagram and Facebook. The details of the association can also be found here
- After registration you automatically become a member of 'Sportlink' of the Dutch Basketball Association (NBB)
- Collective accident insurance through the Dutch Basketball Association

It is the responsibility of the members themselves whether they want to undergo a sport inspection or not. Playing and/or training is at your own risk. One becomes a member of the association by filling in the registration slip mentioned on page 3, completely and in block letters and give this, together with **a passport photo**, a registration fee of € 15,- and a copy of an identity card (with photo) to a member of the technical committee present and/or a board member.

The amount of the contribution for seniors is listed below. For the youth, please contact our membership administration. The contribution is adjusted once a year, if necessary.

Category Seniors:	Training € 150,00	Competition € 245,00

The contribution for the **youth** includes the rental of the uniforms. The amount of the contribution will be adjusted if you become a member later in the season.

A payment in installments can be made in consultation with the treasurer. If the contribution is not paid before December 31 of the current association year, this claim will be transferred to our collection agency. The additional costs of this collection will then be borne in full by the member.
